

## 57408 Suction Gun

---

# INSTRUCTION MANUAL

### WARNING

Always Wear Eye Protection when Operating Suction Gun

### WARNING

NEVER USE SUCTION GUN WITH GASOLINE  
DIESEL OR OTHER FLAMMABLE LIQUIDS

### ***Assembly***

1. Attach hose fitting to end of Suction Gun.
2. Lubricate the fitting with a small amount of oil if hose attachment is difficult.

### ***Operating***

1. The suction gun is operating by pulling back and forth on the handle.
2. Place finger over end of hose to stop fluids from leaking out of suction gun.
3. Warm up fluids that are difficult to extract when cold.
5. Insure that suction gun is clean before each use.
